It is inevitable that the quality of the food we prepare at Café Presse will deteriorate if it is not eaten immediately. We therefore recommend that you allow us to prepare your take-out order while you wait. We will reluctantly accept telephone orders for take-out food. Please note that, because of our obligations to our guests in the restaurant, phone orders for take-out food will receive a lower time priority than orders from clients who wait on premises. We cannot accept phone orders for food to be eaten at Café Presse.

The Department of Health warns that raw or undercooked food may increase chance of food borne illness
